

THE MOST IMPORTANT DETAIL OF YOUR NEW HOME? YOUR MORTGAGE LENDER!

WE CAN HELP YOU SAVE MORE MONEY THAN YOUR BUILDER'S LENDER

A lot of thought goes into buying a new-construction home, from the small details to the big ones. So don't overlook one of the most important ones – your lender. Here's how mortgage brokers can make the buying experience financially better for you:

- You don't have to use the builder's preferred lender. Mortgage brokers can often offer a lower rate with fewer closing costs paid out of pocket.
- You have options. We have relationships with multiple lenders and can shop around to offer you the best loan.
- Special incentives aren't always better. Often, a builder will roll those costs right back into your loan.
- You don't have to go it alone. Consider us your personal shopper with your best interests in mind.
- We have access to multiple loan products and more competitive pricing. Why pay a higher rate when you don't have to?
